Mother's Day is this weekend. Show your Mom you love her. She doesn't need fancy gifts or an expensive card. Treat her to a cheerful attitude, do extra chores without being asked, make sure you have a clean and neat room. The best thing to give your Mom is a big hug and a heartfelt "I love You".

I am sorry about the newsletter this month. The deadline sprang up on me and I didn't get that many articles. On top of that I was in the Ice Show last weekend and kind of lost track of things. Thanks to all of you who went, more next week. So in summary no articles + busy weekend + deadline pressure = bad news letter. Do not blame yourselves blame my schedule I did every thing I could to stop the month from coming. It came anyway. Sorry.
